

ADD A LITTLE
Joie To your Vie

The French call it "joie de vivre" - joy of living - the heartfelt happiness that comes from simple pleasures: crisp white linens, a long luxurious bath, a good meal shared with friends.

These affordable indulgences are what we cater to at Chez La Fille (the girl's place). Fine soaps hand crafted in our own Atelier (workshop); charming home decor and unique trimmings that bring a smile each and every day; wonderful gifts that are a joy to give and a delight to receive.
